My Move

By Bob Galasso

On Thursday 20, 2003, I moved from 303D Eisenhower to 310D in Eisenhower. Autumn, Kate, and Meghan helped with the move. The project started at 6 o'clock, and to my surprise took well over an hour. In addition to the 3 brothers who helped me move, my former suitemate helped with the move, which was good, it made the move go by quicker. A special thank-you goes out to the 3 brothers that helped me move, and an extra thank-you goes to my former suitemate.

New Orleans

By Autumn Fanning

my Christmas break was pretty good, what was left of it after i finally got home. it was quite a trip: i got snowed in on the way there and i got snowed in on the way home, but it was all worth it because of the great time i had there. the little time i did have to enjoy the city was well spent with a different bunch of people each time. im so glad so many of us went. i would say the best part of the whole trip was being a voting delegate. it was truly an...experience. I learned so much about how the fraternity works, about the voting process and so much more. it was long, tiring and at times a bit irritating, but to tell you the truth I would do it again, it was worth it. I would encourage anyone to be a voting delegate at the next convention. as for the rest of my break i spent it at Wendy's or on the phone or on the phone at Wendy's, either way its good to be back in the swing of things and good luck with the new semester!!

Valentine's Bags

By Colleen Walling

On Monday, February 10th and Wednesday, February 12th, Chi Pi brothers took time out of their busy schedules to help stuff Valentine's Day bags for the Campus and Community Children's Center. On Friday, February 14th Chi Pi brothers delivered the Valentines Day Bags to the dorms on campus. The brothers stuffed and delivered over 200 Valentine's Day bags, which were filled with snack foods, school supplies, and other fun goodies. The bags were sold by the Campus and Community Children's Center to parents of Fredonia State students, who could then have the bags delivered to their students on Valentines Day.

All of the proceeds from the sale will go to the Campus and Community Children's Center (CCCC). The CCCC is a nonprofit program serving the children of Fredonia State students and working families. The Campus and Community Children's Center is licensed by the NYS Department of Social Services and accredited by the National Academy of Early Childhood Programs.

Adventures in Babysitting

By Beth Kulczyk

Well this babysitting night wasn't quite an adventure. But it was fun. There were two children present! I know they had a good time, and so did the many brothers that came. Thank you to those wonderful brothers that came. For those of you that missed it, you would have enjoyed watching movies, making paper airplanes, playing "Duck-Duck -Goose", "Simon-Says" and "Thumbs-up, Seven-Up". The parents that dropped off the children said that they would definitely do this again and wished we had publicized more. Any ideas to get the word out to the community?

A special thanks goes out to all the Brothers that went out and bought supplies and brought their own. I really appreciate the help and effort.
