Chi Pi Comes home

On Saturday October 6, during Homecoming Weekend, despite cold weather, Chi Pi held a reunion for present and past Brothers. Chi Pi Brothers contributed their time for set-up, clean up and other tasks associated with this event, held at Russell Joy Park in Fredonia. Brothers made displays to look at and food for us to munch on; it was a great time had by all! Sheryl Jankowski, are founding Brother, brought her scrapbook from her years as a Brother, and we got a great idea for roll call during Sectionals. Other Brothers we talked to thought the chapter was extinct, but we proved them wrong. We also had more recent alumni there, too. Other Brothers wished they could come, but were to be out of the area during that time. However, many were excited about it. One re-founding member has already started recruitment for Sectionals 2002, to be held at Fredonia! I hope that we are able to hold a similar event in the spring, when the weather is warmer! Thank you to everyone to participated and supported this effort it did not go unnoticed! The chapter could not have pulled off this event without each and every one of you!

SPCA

This month we went to the SPCA in Angola. Unfortunately there were only 3 dogs and three cats, so it was not as much fun as usual. We did manage to leave on time though, yeah☺. We are planning to go again in for volunteer week in November, hopefully there will be more dogs and cats too.

Pledge Service Project @ the Boys and Girls Club

On Sat. October 27, some of the brothers of Alpha Phi Omega helped out at a Halloween Party at the Boys and Girls Club in Dunkirk. We dressed up in costumes and helped decorate the club as well as hanging out with the kids that had come to the party. We also played some games with and helped them paint pumpkins and watched some movies. It was a lot of fun dressing up and just hanging out with the kids, and getting to know them.

Kim Goetz

Pledge Trainer

This has been an incredible and rewarding time for myself. The pledges have proven themselves to each other as well as to the brotherhood at large. Their commitment to this fraternity and to each other is strong and I hope it will be as rewarding for them as it has been for me. Thank you to everyone who has helped with the pledging process. We could not have done this without you. To my children- you are our future. I am incredibly proud of all of you. You are an awesome bunch and I am glad that I was able to be a part of this experience. Congratulations! I am proud to call you my brother.

ALPHA DELTA PLEDGE CLASS SAYS:

My names, Kim Goetz, but you can call me bubbles. I just transferred here from Suny Cobleskill. My major is Speech Pathology and Audiology, and I love to draw. I'm looking forward to the rest of the year and what it will bring, and I can't wait to do more projects with APO!

Yoplait Lids – SAVE THE BOOBS

This semester I am collecting pink Yoplait lids for breast cancer awareness. So far I have received about 50 lids. Thanks to everyone who participated you recieved 1 point for every 5 lids donated the person who collects the most lids will receive an extra point.☺

Breast Cancer Walk

On Sunday October 14th, we participated in the Breast Cancer walk in downtown Buffalo. The majority of the brotherhood and 5 pledges were there. Thank you to all that did, this event was close to my heart and it meant a lot that so many of you were there.

Domestic Violence Walk

Lisa and I headed downtown Fredonia on October 19th for the Domestic Violence Walk. This was a walk to raise awareness for victims and children of

domestic violence. It was a short walk that culminated in Barker Commons.

There we heard speeches from several people active in the fight against domestic violence. Mayor Frank Pagano and County Executive Mark Thomas both read proclamations declaring October as Domestic Violence week and reaffirming the community's commitment against this raging problem.

Fredonia's Chief of Police Bradley Myers, Chautauqua County District Attorney James Subjack, Keynote Speaker Senator Pat McGee, and Chautauqua County Coalition Against Domestic Violence Representative Jolene Holliday also spoke on the issue. The event was closed with an inspirational song that brought tears to the eyes of many. It is definitely an issue that needs to raise awareness everyday as well as in the month of October.

Scavenger Hunt

On October 13th, fourteen brothers joined together for some fun and a good cause. The scavenger hunt mixed together items of food and fund to find and some brotherly competition. Four bags of food were taken to Niki's for the food drive. Thank you to everyone who participated. Afterwards, hotdogs and veggie burgers were served and the brothers relaxed. It was a display of leadership, friendship and service all wrapped into one.

Red Ribbon Week

Red Ribbon Week is an effort to raise the awareness against illegal drugs and the illegal use of legal drugs. I want to thank Tiffany Kilbride, Shelley Contento, and Allyson Hadley for assisting with my Red Ribbon Week activities at the Boys and Girls Club of Northern Chautauqua County. Twelve children and five adults braved a windy wet day to show their commitment and support for Red Ribbon Week. The event started with a short walk to Washington Park in Dunkirk, where the children tied red ribbons around the trees, gazebo, and signs. The Dunkirk Observer was also on hand to publicize the event. It was a great time and I know friendships were formed. Right Partner!
